To

The Secretary to the Government of His Highness
the Maharaja of Mysore,
General and Revenue Departments

Sir,

With reference to your Official Memorandum No.R.4190/L.R.1-04-4 dated 15th November 1904, forwarding for my disposal petition dated 1st July 1904 from Subrayabhatta, Agent of Krishnapuram Mutt at Mulbagal, regarding the Mutt's claim for levy of ground rent on the houses standing on the Mutt Inam lands belonging to Krishnapura Mutt, I have the honor to state that I find from the records that the management of the estate belonging to the Krishnapura Mutt was assumed by Government before the introduction of the Land Revenue Code and the proximate reason which led to such assumption appears to have been that the income of the institution was being mis-spent and not that the jodi was in arrears or in danger of not being paid regularly, which alone would bring such assumption within the operation of the Revenue Law. It does not therefore appear to be a case to which the Land Revenue Code and Rules apply and the question seems to be one for the decision of Government in the Muzrai Department.

The appeal petition of Subrayabhatta and the entire file of papers received with your Memo referred to above are herewith respectfully submitted accordingly.

I have the honor to be,

Sir,

With reference to your NO: R 193-1-4 General NO: 4 dated 15th July 1904 and NO: 14777-2-7 dated 19th August 1904 forwarding for report the petitions- one from Subrayabhatta, agent of the Krishnanandaswami Mutt at Mulbagal, complaining of the reduction, by the Deputy - Commissioner, of ground rent or tax on houses on the Mutt Inam lands in the town of Mulbagal- and another from

from Buden Khan and others pray-
-ing for the Cancellation of the order
imposing new house tax in addition
to the municipal tax on the houses
standing on the said mutt Inam
lands, I have the honor to
State as follows:—

2. This is an ancient mutt
situated in the Mulbagal town.
From a very long time its
affairs have not been personally
attended to by the Swamii of
the mutt, who resides elsewhere
Venkatagurubhatta who had
been appointed as agent of
the mutt, neglected and mis-
-managed his trust, and this
State of affairs having been
brought to the notice of the
then Deputy Commissioner, the
Swamii was called upon

by a notice to make proper —
arrangements within a fixed time.
The Swami stated that as he
left the country long ago, he
did not know how the affairs
were being managed by his
agent Venkatagiri bhatta re-
-ferred to, and that if it
was unsatisfactory, the manage-
ment might be taken over by Govern-
ment till the appointment of a
better agent from the mutt.
But as no proper arrangement
was made by the Swami, the
then Deputy Commissioner di-
rected, in his order No: SC8 dated
9-3-1888, the collection of the
mutt dues in shape of land-
revenue, house tax, etc through
Government agency The mutt is
ever since under Government
management but no formal
Sanction of Government seems

to have been obtained in the matter
As soon as the management
was assumed, a detailed list of
lands etc enjoyed by the mutt.
was obtained from the Sheikdar.
No action was however taken
to bring the property of the mutt
into a satisfactory condition,
beyond leasing out some of the
Inam lands on full assessment.

3. With a view to remedy the
existing State of affairs and
repair the mutt premises by col-
-lecting outstanding dues on be-
-half of the mutt, the present
Amildar took active measures
and made enquiries of the
owners of various houses
standing on the mutt Inam
land, about the ground rent
due by them to the mutt
and obtained

from them to the effect that they were not paying ground-tax to the mutt since the affairs of the mutt were taken under Government management, as no demand was made therefor, but that they were unable to pay 12 years arrears of rent, that they would pay 5 years rent and continue paying the yearly rent along with the municipal tax regularly irrespective of the management by Government or by the mutt. Accordingly steps were taken to collect the arrears.

4. During the jamabandi of 1903-04, the Mohamedan house owners represented to the Deputy Commissioner to the effect that their ancestors had built the houses on the Inam and of the Konshinianda

-Swami mutt with the permission of the Swami, who granted the land to them in consideration of the former undertaking to see to the safety of the mutt property etc and escorting him to the Sankara-thirtha along the road, that they were not paying any tax to the mutt, and so they were not liable to pay house tax to the mutt.

Mr. Carr passed the following order:—

"The petitioners will be called "on to pay a rent to the mutt "of half the amount they pay "to the municipality as mohatarfa "They will not be called on to "pay anything for former years "They will only pay from 1903-04 "and from that year onwards "at the above rate.-

"Muchalikas agreeing to

"by the above will be taken from "the parties."

5. Against this they have appealed to Government.

6. It will be observed from the report of the Amildar, that within the municipal area of the Mulbagal town, Inam lands are held not only by the Krishnanandaswami mutt, but also by the Avani, Vyasa-rayaswami and Sripadaraja Swami mutts. All the three latter mutts are stated to have allowed their Inams to be built over like the Krishnananda-Swami mutt and they are all recovering ground-rent from the house-owners.

7 It will be seen from the petition presented by one — Naranappa before the Amildar

in 1891 that the house-owners on the mutt Inam land were paying ground rent to the mutt formerly. The Statements contained in the enclosed file (No: III) also show that the claim for ground-rent on behalf of the mutt is not an innovation

8. With regard to the question of repairs of the institution, raised in the appeal petition of the agent of the mutt, it has to be stated that the fund at the credit of the institution is Rs 300/- and odd. The realization from the Inam lands having been credited to Government instead of to the mutt, the matter of refunding the amount

a refund bill is under correspondence.

2 The enclosures of the dockets under reply together with the vernacular records connected with the subject are herewith submitted
